A Few House Guidelines

WHISPERING TREES ON THE LAKE

WILSON LAKE • DOUBLEHEAD COVE • TOWN CREEK, ALABAMA

Thank you for helping us care for Whispering Trees on the Lake. These simple guidelines help keep the home comfortable for everyone and preserve the peaceful character of Doublehead Cove.

Registered guests only — The home accommodates a maximum of six guests. Please ensure everyone staying overnight is included in the reservation.

No parties or events — Whispering Trees is intended for peaceful getaways and time together—not parties, events, or large gatherings.

No pets, please

Respect the neighbors — Please keep noise at a considerate level, especially outdoors and during evening and early-morning hours.

Care for the home — Please treat the furnishings, finishes, appliances, and outdoor spaces with care. Let us know promptly if something is damaged or needs attention.

Protect the Septic — Please, only tissue in the toilet. No wipes of any kind, and no grease or food down the kitchen sink.

Lake and outdoor areas — Use the lake access, tie-up, hammock, grill, and firepit thoughtfully and at your own risk. Keep children supervised around the water and fire, and fully extinguish fires after use.

Grill and firepit — Use outdoor cooking and fire features only in safe conditions and never leave them unattended. Allow equipment to cool before leaving the area.

Before checkout — Please leave the home reasonably tidy, dispose of trash as instructed in the arrival information, and check that personal belongings have been collected.

Questions or concerns — If anything comes up during your stay, please contact your host using the contact details provided with your reservation.

Please also follow any HOA property-specific safety and usage instructions and check-in/check-out details provided separately.

We appreciate your care and consideration. We hope you enjoy the lake, the views, and your time together.

Come sit a spell.
